

CURRICULUM VITAE

NAME Miklós Tóth, MD, PhD, DSci
DATE OF BIRTH 03-11-1955
PLACE OF BIRTH Debrecen, Hungary
WORK ADDRESS Department of Medicine and Oncology,
Semmelweis University,
1083, Budapest, Korányi Sándor str.2/a, Hungary
toth.miklos@med.semmelweis-univ.hu
QUALIFICATION Medical Doctor, University of Medicine, Debrecen, Hungary, 1980
PRESENT TITLE Professor
LANGUAGE English

RESEARCH INTEREST

Pathology and pathophysiology of adrenal tumors
Cushing's syndrome
Osteoporosis and metabolic bone diseases
Neuroendocrine tumors

PUBLICATIONS (MTMT, 25 August, 2018)

Total:	499
Scientific publications:	206
Citations:	1751
Hirsch-index:	23
Book-chapters:	21

SCIENTIFIC DEGREE

- Ph. D Thesis: Some aspects of clinicopathologic features of adrenal tumors, especially non-hyperfunctioning adenomas, Semmelweis University, 1999
- Doctoral Thesis, Hungarian Academy of Sciences, 2012

TRAINING

- 1980-1985: Pathological Institute, University of Medical School, Debrecen
- 1985-1986: Oncopathological Research Institute, National Oncological Institute, Budapest
- from 1987: 2nd Department of Internal Medicine, Semmelweis University, Budapest,
- 1984: Board certification in pathology and histopathology
- 1990: Board certification in internal medicine
- 1993: Board certification in endocrinology
- 2005: Board certification in clinical pharmacology
- 2011: Board certification in clinical oncology

INTERNATIONAL POSTGRADUATE TRAINING COURSES

- 4th Postgraduate Endocrinology Course, European Federation of Endocrine Societies, 1997
- Advanced training course on osteoporosis. European Foundation for Osteoporosis, Lyon, 1998
- 6th Postgraduate Course in Clinical Endocrinology, European Federation of Endocrine Societies, 1998
- 2nd Annual ENETS Educational Conference for the Diagnosis and Treatment of Neuroendocrine Tumors, 2005
- 2nd Postgraduate Course in Clinical Endocrinology, European Society of Endocrinology, 2006
- European Neuroendocrine Association Workshop: Novel insights in the management of Cushing's syndrome. Nápoly, 2009
- Advances In Cushing's disease. An expert forum. Stocholm, 2011
- 8th Annual ENETS Conference for the Diagnosis and Treatment of Neuroendocrine Tumor Disease, Lisszabon, 2011
- Second IPSEN Masterclass in Neuroendocrine Tumors, Dublin, 2011
- Multidisciplinary Management of Patients with Neuroendocrine Tumours, Charité-Universitätsmedizin Berlin, 2011
- Neuroendocrine Tumors – Advanced Course in Diagnosis and Treatment of NETs Uppsala University, 2012

INVITED LECTURES AT INTERNATIONAL CONGRESSES

- 2nd ESE Postgraduate Course in Clinical Endocrinology, Kosice, 2006
Diagnosis and differential diagnosis of hypocalcemic disorders
- 10th European Congress of Endocrinology, Meet-the-expert lecture. Berlin, 2008
Beyond the bone - sporadic and hereditary hyperparathyroidism
- XVIIth National Congress of Romanian Society of Endocrinology, Sinaia, Romania, 2009
Treatment with cinacalcet in the management of primary hyperparathyroidism
- 7th International Congress on Glucocorticoid Induced Osteoporosis. Padua, 2011
Bone turnover in endogenous Cushing's syndrome.
- 46th Annual Scientific Meeting of the European Society for Clinical Investigation (ESCI), Budapest, 2012
Bone turnover in glucocorticoid induced bone disease
- 15th International Congress of Endocrinology and 14th European Congress of Endocrinology, Florence, 2012
Approach to the patient with Cushing's disease after pituitary surgery failure.
- 18th ESE Postgraduate Training Course on Endocrinology, Diabetes and Metabolism, Opatija, Croatia, 2016
Glucocorticoid burden, bone turnover and fracture risk in endogenous Cushing's syndrome
- 21th ESE Postgraduate Training Course on Endocrinology, Diabetes and Metabolism, Lviv, Ukraine, 2017
Hormonal dysfunction in athletes
- XXVIth National Congress of Romanian Society of Endocrinology, Sibiu, Romania, 2018
Update on micro- and macronodular adrenal hyperplasias.

MEMBERSHIPS IN SCIENTIFIC ORGANIZATIONS:

Hungarian Society for Internal Medicine

Hungarian Society for Endocrinology and Metabolism

- board member, 2007 –
- General Secretary from 2011 – 2019
- President, 2019 –

Hungarian Society for Osteoporosis and Bone Diseases
Hungarian Association of Gerontology and Geriatrics
Hungarian Society of Medical Oncology
European Society of Endocrinology
European NeuroEndocrine Association
European Neuroendocrine Tumor Society
The Endocrine Society (USA)
American Association of Clinical Endocrinologists

AWARDS

1980: Veszprémi István Award, Debrecen Medical University
2012: Merit Award, Semmelweis University
2014: Endocrine Society's Best Publication of Basic Research, 2014
2015: Outstanding Scientific Student Teacher, Semmelweis University
2015: Best Publication of the European Journal of Endocrinology
2016: Best Publication of The Journal of Clinical Endocrinology @ Metabolism 2016
2016: Markusovszky Lajos Award, Orvosi Hetilap, 2016
2018: Honorary Member of the Romanian Society of Endocrinology

INVOLVEMENT IN CLINICAL TRIALS

Coinvestigator: 16 trials
not listed
Principal investigator: 16 trials

International cooperations

European Reference Network
Advisory board e-REC (e-Reporting of Rare Endocrine Conditions) (2018-)
RC representative
National Coordinator Hungary
European Neuroendocrine Tumor Society, Center of Excellence
Semmelweis University (2020-)

Budapest, 01 July, 2020

Miklós Tóth
